This document is CONFIDENTIAL & PROPRIETARY to Grant Thornton Bharat LLP (GTBLLP), and its circulation and use are RESTRICTED. All rights are reserved with respect to the contents of this proposal. It is supplied in confidence and, except for the intended recipient of this document and the purposes mentioned herein, it cannot be disclosed, duplicated, or otherwise used in whole or in part without the prior GTBLLP's written consent. No part of this work may be reproduced or transmitted by any means, electronic or mechanical, including photocopying and recording, or by any information storage or retrieval system, except as may be permitted in writing by GTBLLP.

The data in this document contains trade secrets and confidential or proprietary information of GTBLLP, the disclosure of which would provide a competitive advantage to others. Therefore, this document shall not be disclosed, used, or duplicated, in whole or in part, for any purpose other than to evaluate GTBLLP's services described in this proposal. This proposal is an offer by GTBLLP to provide the proposed services. It is, in all respects, subject to negotiation, agreement, and signing of a specific engagement contract with the client, as well as completion of our acceptance and risk management procedures. All representations and warranties, express or implied by statute, law, or otherwise, are hereby excluded.

In this proposal, the CVs submitted for evaluation and/or the proposed commercials shall remain valid per the proposal validity mentioned in the RFP/ToR. This proposal may be subject to updation or change or further submissions at any time based on any amendments, addendums, corrigendum, change, etc., in the information supplied to us pertaining to the document (in response to which document this proposal is submitted) issued post the date of the submission of this proposal. This document was prepared based on information provided by the intended recipient; accordingly, no responsibility is accepted for any inaccuracy or error, any action taken or not taken, or any reliance placed on this document. These limitations are not intended to restrict continuing business discussions between the intended recipient of this document and GTBLLP.

Nothing contained in this proposal is to imply that this proposal is conditional and does not comply with all requirements as per the terms and conditions of the RFP/ToR.

Learning Objectives

Learning Objectives

Whether you are exploring consulting for the first time or looking to sharpen existing skills, this program provides the structured methodologies, frameworks, and practical exposure to succeed in advisory and transformation roles.

How This Program Will Benefit You

The programme is designed to translate into clear, tangible career outcomes for every participant, equipping you with the consulting toolkit, leadership instincts, and professional network needed to thrive in advisory roles.

Who Should Attend?

Students looking to kickstart a career in consulting and strategy

Aspiring consultants looking to build practical skills and methodologies

Managers and executives aiming to improve leadership and drive change

Entrepreneurs looking to scale their businesses and foster innovation

Project managers leading consulting projects who want sharper strategic thinking

Career changers looking to transition into business consulting from other fields

Transformation leaders responsible for guiding organizational change

Innovation enthusiasts passionate about creativity and developing new solutions

Program Details

- **Consulting Foundations:** Build a foundation in the consulting industry, consultant roles, ethics, methodologies, engagement types and structured problem solving approaches.
- **Strategy and Frameworks:** Master globally recognized frameworks including 3Cs, BCG Matrix, ANSOFF, 4Ps/7Ps, McKinsey 7S, SWOT, PESTEL, and strategy deployment through Hoshin Kanri.
- **Improvement and Transformation:** Apply Lean, Six Sigma DMAIC/DMADV, Design Thinking, SCAMPER, ADKAR and Lewin models for performance improvement and change management.
- **Industry-Experienced Instructors:** Benefit from the expertise of senior GT consultants who bring real engagement experience, sectoral exposure and structured advisory perspectives to every session.

Key takeaways from the program

Apply consulting frameworks to real-world business cases

Identify revenue and cost levers across business functions

Learn from senior consultants with hands-on experience

Structured business problem solving
